Many **St. Peter the Apostle** parish members see the benefits of attending **Saint Andrew Academy** as they have proudly shared.

- ▶ At St. Andrew, we believe in more than just educating the child. We work as a **team** to make each child the best person, citizen, and **Christian** they can be. We encourage teachers, faculty, parents, and students to strive for **personal excellence** through **service** to others." – **Stephanie Blandford**
- ▶ Our family chose St. Andrew Academy because of its mission to assure the **education of the whole child**. We believe that St. Andrew Academy offers our children a rich **faith-based and strong academic program** guiding them through their spiritual, intellectual, social and emotional development. Another reason we chose St. Andrew Academy is because of the **sense of belonging and community** that they offered our children and our family. When you are a part of this school, you know that you are a part of something bigger... you are a part of the **St. Andrew Academy family**. – **Michelle Phillips**
- ▶ I went to Catholic schools all my life. I enjoyed the **closeness of the community** and the families that went to school with me. I want my children to have that experience and **grow in their faith** in God and the Church as well. In a Catholic school environment they will be able to that **freely**. – **Rhonda Turner**
- ▶ I believe all Catholic schools offer a quality education. I chose **St. Andrew Academy** six years ago after touring several others. Their **strong sense of community**, and their educators' **passion for learning** surpassed all. –**Melinda Hawkins**
