Why choose St. Andrew?

- St. Andrew Preschool offers the children the opportunity to learn in a loving Catholic environment.
- The children attend weekly Mass and learn the value of prayer.
- The teaching staff is certified and continuously learning new and fun ways to teach the children in the preschool program.
- The preschool students at St. Andrew learn healthy habits through a program called Stretch-n-grow, they attend PE twice a week, learn technology within the class, and are exposed to the Spanish culture during a weekly Spanish class.
- At St. Andrew Preschool the children learn the alphabet, colors, numbers, shapes and much more through hands on adventures daily.
- The children participate in a buddy program with our 8th graders.
- The preschool program is a full day program and we also have after hours available for those who would benefit.
